

## **Amendments to the Claims**

This listing of claims will replace all prior versions, and listings, of claims in the application:

### **In the claims:**

Claims 1-10 (Cancelled)

Claim 11. (Currently Amended) Apparatus for making a teeth treatment device, comprising:  
supply means for supplying textured substrate;  
container means for containing melted wax therein and for receiving  
said textured substrate and transmitting said textured substrate through said melted wax having melted  
wax therein to form a wax saturated substrate;  
bleach spray means positioned for applying a quantity of bleaching  
solution to one side of said wax saturated substrate;  
plastic sheet means for joining a thin plastic sheet to said one side of  
said wax saturated substrate to form a plastic coated wax saturated substrate having a quantity of bleach;  
and  
die means for cutting said plastic coated wax saturated substrate having  
a quantity of bleach into individual strips having a predetermined configuration; and  
packaging means for packing said individual strips..

Claim 12. (Cancelled)

Claim 13. (Currently Amended) The apparatus of claim 11, wherein said textured substrate is first  
mounted on supply means comprises a roller for mounting said textured substrate thereon to provide a  
continuous roll of said textured substrate, and said wax container includes a roller to transmit said  
textured substrate through said container means.

Claims 14-20. (Cancelled)
